

Stenhouse Outdoor Learning Space!

Help us to transform the courtyard into an exciting and fun learning space that all classes can enjoy!

You can help us receive up to £5000 of funding from Tesco Bags of Help Scheme. In many Tesco stores you will spot towers of blue tokens. There will be 3 towers. Each tower will be collecting votes for different projects. The tower with the most tokens at the end will receive the £5000.

You should receive one token each time you shop. If you are not given a token, please ask for one!

You will be able to vote in the following Tesco stores...
