New learning grids will be emailed out to you on a Monday

We can have Home Learning Grids translated into other languages. Get in touch :-)

All classes will have access to a Virtual Classroom on Teams.

There are also Teams classrooms for PE, Music and Additional Support for Learning.

Learning Journals are regularly updated with exciting play based learning activities

We will still post lots of activities and fun things to try throughout the week

Some teachers have produced videos and stories on YouTube. Click the links sent out via twitter or Teams to see.

Paper Copies

You and your teacher can "chat" to each other about your learning

You can also catch up with your Pupil Support Assistants on TEAMS too. :-)

Don't forget you can email us at admin@stenhouse.edin.sch.uk

You are able to make comments and upload photos of things you have been doing

follow us on @StenhousePS or @StenhouseHt or your class teacher's account

We will print out paper copies when we can to top up Learning Packs

You will be able to share your learning and your teacher can give you feedback

We have created this to help show the different ways you can access the planned learning we are creating for our pupils.

Your Key Worker can see your learning and offer feedback and new ideas

Please feel free to upload photos of your activities and tag us in them on Twitter

We will let you know a time and date when these can be collected.

We have added Classroom Catch Up areas for you to "meet" your friends and chat away!

We are planning plenty of activities, but it is fine for you to decide how much or how little your family can manage. Health and Wellbeing of you and your family is the most important thing just now.
