

Stenhouse Primary School

Together, we will Grow, Learn and Succeed

What should I bring to school ?

School Bag:

You are welcome to bring a school bag – we know this is an important and exciting part of getting back to school.

Lunch:

Order a school packed lunch the normal way on ParentPay or bring your own packed lunch. It would be good if your packed lunch box fits in your school bag.

Pencil Cases:

We have bought you all a set of stationery to be kept in school so there is no need to bring a pencil case. Please keep these at home for any home learning.

PE Kit:

You don't need a PE kit yet. We will let you know when to bring that in.

Water Bottles:

You can bring your water bottle to school as our water fountains will be switched off. Please put your name on your bottle. You will take home your bottle every day to wash.
