

Family Fun Activities

Write and perform a song or a rap - could you write one about autumn or Halloween?
What Wow Words would you use?

Make a lovely soup with vegetables like potato, turnip, carrots and onions. Enjoy this with your family if the weather is cold.

Go on a nature walk and collect autumnal resources - cones, leaves, sticks, acorns, conkers etc. Use the treasures you have found to make an autumnal picture.

Have a look at this website for some clips and things to do

Build a blanket fort inside - enjoy a story or snack inside it by torch light.

Play the direction game
Ask someone to tell you 3 directions and see if you can do them correctly in the right order.
Example:
Clap your hands 5 times
Sit down on the floor
Rub your tummy

Design a pumpkin that you can put in your window. Then go for a pumpkin spotting hunt with a grown up

Find out about Andy Goldsworthy - an artist who uses nature for his art work

Collect leaves and things from nature to create outdoor collages and pictures. Send us a tweet of your design!
