

# Stenhouse Primary School

*Together, we will Grow, Learn and Succeed*

#TeamStenhouse thanks you for all your on-going support

All adults should wear a face covering when in the school building or playground.

**F** Face coverings 

**A** Avoid crowded places 

**C** Clean your hands regularly 

**T** Two metre distance 

**S** Self isolate and book a test if you have symptoms 

Please do not gather in the playground or outside the school gates

All adults, in the playground or in the surrounding street should stand 2m apart from other adults whilst waiting for their children.

We understand how frustrating it is that just having a cough or a temperature means you should self-isolate and book a test when it could just be a "cold".

But without the test results no one can be sure if the symptoms are related to COVID or not. Please don't send your child back to school without a test result, if they have had any of these symptoms.

This is vital as part of the plans to keep schools open.
